PRECONTRACT APPROVAL RECORD  
(PART TWO)

CONTRACT

HYCON MFG. CO.

The services and equipment being procured by this Contract No. LG-5005  
Amendment No. 7 are in furtherance of the TAGBOARD  
Program(s), the nature of which cannot be publicly disclosed for security rea-  
sons. The Contracting Officer therefore determines that this procurement must  
be accomplished by negotiations pursuant to the authority of Section 3(a) of  
PL 81-110 and Class Determination and Finding, OXC 2122, signed by the DDCI on  
15 October 1961.

Certification of funds for this contract will be handled under the pro-  
cedure approved by the Director of Central Intelligence on 15 December 1956  
which, in effect, results in all covert expenses involving issuance of Treasury  
Checks being accumulated in a separate account within the Finance Division. The  
amounts in this account will be periodically scheduled for certification of the  
vouchers by the Director. This procedure eliminates the necessity for a sepa-  
rate certification of authority under Section 8(b) of Public Law 110, 81st Con-  
gress (formerly 10(b) - see 85-507 dated 7/7/58) for each contract.

The following comments describe the procurement hereby effected, the  
terms and provisions generally of this contract/amendment, and a resume of  
major issues negotiated:

This Amendment No. 7 is issued to reflect a final cost  
and final fee for this contract. Since the Contractor has  
submitted a final release and assignment of claims, it is  
anticipated that this will be the last change to the contract  
and the contract will be closed out.
